

GiDMC Welcomes Best Practices in **DISASTER RISK REDUCTION (DRR)**

GiDMC invites nominations for the best practices in Disaster Risk Reduction (DRR) for encouraging recognition of excellence in the field of disaster management and sustainability. The idea is to bring to the platform the live case studies, success stories, best sustainable practices in order to promote and recognize the organizations and individuals working in the field of resilience, mitigation, rescue, response and technology with the objective to achieve sustainable development and build resilient society.
